

## Key Features

- **Compounds:** 320 polyphenols/flavonoids (pre-plated)
- **Identity:** all structures elucidated by NMR
- **Format:** 96-well MTP\*, 80 cpds/plate, column 1 and 12 empty
- **Purity:** > 85% by HPLC-ELSD, no extracts
- **Price:** 0,1  $\mu$ mol (dry film)  
or  
0,5  $\mu$ mol (dry film)
- **Delivery:** This library is available from stock and can be supplied within 2 weeks after ordering
- **IMPORTANT:** All compounds are Natural Products isolated from plant biomaterials and are not synthetically produced
